FEATURED ARTICLE

Nesma Training Center: A Destination of Intelligence and Education

Nesma Training Center (NTC) hosted “The Little Trader” project by Intellectual Elite Enterprise. “The Little Trader” is a children’s business fair that aims to train and educate youngsters in developing entrepreneurship and marketing skills in the areas of business principles, merchant ethics and presentation skills.

Additionally, NTC signed an agreement with Hanan Nature Foundation, which is the Director of the Brain Gym Academy, an affiliate of the Saudi Chess Training Federation. NTC will be hosting ladies, youth and kids’ chess training activities for one year.

Other agreements were signed with Omnyate Foundation for special needs childcare and Kanyama program for kids education. NTC will be providing Omnyate and Kanyama with the space for children’s activities and programs.

MAWADDAH INTERNATIONAL GROUP

Mawaddah International Group for Hotels and Umrah Services is one of the leading Hajj, Umrah and hotels companies in the Holy Lands, with offices in Makkah, Madinah and Jeddah.

Since 1996, Mawaddah has offered Hajj and Umrah pilgrims with a memorable religious experience through managing a chain of hotels of various classes that are furnished to cater to various categories of visitors.

Mawaddah works through a network of travel agents and tour operators across the world. When pilgrims arrive at the airport, they are assisted and provided with transportation and get accommodation at the Mawaddah hotel of their choosing. On completion of their visit, pilgrims are transported back to the airport for their return journey to their countries.

MAWADDAH INT'L GROUP
FOR HOTELS & UMRAH SERVICES

IN THE SPOTLIGHT *continued*

Mawaddah International Group is licensed by the Ministry of Hajj (License No. 154) to issue visas for packages to its clients within a mere 24 hour period, allowing Mawaddah to offer its clients a 'one stop solution' for all their Umrah-related needs. The company has recently started working on unifying all the company's hotels in both Makkah and Madinah and it's also working on receiving its certification from the International Organization for Standardization (IOS).

Mawaddah is currently expanding in newer markets including: India, Pakistan, Sri Lanka, Malaysia, the Maldives, the UK, France, the United States and nations in Africa. Ahmed Bakran, Group Sales & Marketing Manager, says, "We have been successfully expanding our global network and continuously building and strengthening our market share around the world."

About the General Manager

Mohammed Al-Ansari joined Nesma Holding in 2001 as the Director of the President's office. He then became the Manager of the Western Region at Nesma & Partners. Finally, in 2015, he secured his position as Mawaddah's General Manager.

Al-Ansari's current objective for Mawaddah is to standardize the quality of its services by acquiring the 9001:2015 ISO certification. In the long term, Mohammed Al-Ansari aims to make Mawaddah the best company in the Hajj and Umrah services in Makkah and Madinah.

FACES OF NESMA

Growing with Nesma: Mohamed Alboji

Mohamed Alboji is Nesma Holding's Technical Support Supervisor in the IT Department.

His job tasks include following up with all the IT requests made by Nesma Holding's employees in addition to requests from Nesma Group companies. He also transfers requests to the authorized employees in the IT department in order to solve different technical problems.

In 2001, Alboji joined Nesma Holding as a Data Entry Officer. Then he was promoted to join the Customer Services Department in 2004 before he was promoted to Customer Services Supervisor in 2008. Finally, in 2013, Alboji joined the Information Technology Department as a Technical Support Supervisor.

Speaking about what he learned from his experience at Nesma, Mohamed Alboji says, "I learned about the meaning of transparency and commitment, in addition to the importance of respect and humility among the staff. Here at Nesma, we are one family."

Nesma Holding Celebrates 2017 Achievements

A general assembly meeting was held at Nesma Holding including the attendance of Nesma Holding's President, Sh. Saleh Al-Turki.

The assembly shared the company's 2017 successes along with a number of employee achievements.
