NT&T is Awarded NEOM's Fixed Line Network Project

Nesma Telecom & Technology (NT&T) was awarded a fixed line network infrastructure project in NEOM, valued at SAR 380 million.

NT&T's scope of work includes the network's design, implementation, operation & maintenance services.

Referring to the importance of Nesma's involvement at NEOM, Salah Al-Sunaid, NT&T's CEO, commented, "In line with Saudi Vision 2030, we at NT&T are committed to our vision of being one of the leading companies in the field of information and communication technology (ICT) infrastructure by being part of mega development projects and futuristic smart cities' plans in our country." He added, "This project is considered to be the base of NEOM'S infrastructure and the network will function as the city's backbone which can be utilized to meet NEOM's internal requirements and surely support the city's expansion plans in the coming years."

Also, at a NEOM organized event, Nesma's Corporate Communications Executive Manager, Rana Zumai, spoke about "The Importance of Partnerships in Encouraging a Culture of Innovation".

The three-day event was held at FBS University in Tabuk in celebration of Global Entrepreneur Week (GEW) and in support of the kingdom's efforts to develop more small and medium-sized enterprises.

Modern Bus Company Update

Makkah Buses project released a new [video](#) to communicate the project to the public. The latest updates at the project include completing overall bus testing and initiating construction of the project's bus stops.

Soon Makkah buses will serve residents and visitors through five 300-km-long BRT lines and seven local lines that are supported by 160 articulated buses each accommodating up to 125 passengers.

In December 2018, TNC, a Saudi and Spanish consortium that includes Nesma Holding, Alshoula Group, Maghrabi Group and Imathia, with Consultrans and TCC as Spanish partners, established the Modern Bus Company as a special-purpose limited company to work on the design, procurement and operation of the Makkah Public Transportation Program (MPTP).

FACES OF NESMA:

Khalid Aqeel

Khalid Aqeel is one of the many talents of Nesma. He first joined Nesma in February 2016 as Nesma Airlines' head of recruitment and within a short time, was named Human Resources and Administration Manager making him the youngest airline HR manager in the Middle East.

Then, he moved to Modern Bus company where he was promoted to his current role as the company's HR and admin manager.

In addition to his bachelor's degree in human resources management, Aqeel holds a leadership development diploma from Crestcom International Institute.

Aqeel, who has 14 years' experience in multinational companies, says he's thankful to Nesma for the opportunities he's been provided and proud to be part of the progressive company that hired the first female commercial pilot in Saudi Arabia.

When asked about his goals for the future, Khalid Aqeel said, "I'm planning to grow my career through focusing on my education in the human resources field. Thankfully, I'm part of Nesma where the sky's the limit regardless of where you're at! Here, if you put in the effort you can definitely reach your goals and successfully move your career forward! "
