# Nesma Sponsors NEOM's Saudi National Day Celebration

Three Nesma companies, Nesma Catering, Nesma Art Gallery and Nesma Security, were part of NEOM's 90th Saudi National Day celebration, which took place in NEOM city located in Tabuk Province, in northwestern Saudi Arabia.

During the large-scale event, Nesma Catering's team was responsible for several complimentary food stations and for supervising the quality and safety of all the meals served by the different food trucks on site.

The catering team also organized a fun burger competition where contestants had to spot the difference between vegan and regular burgers.

Nesma Art took part in the event by gathering local artists from all over the Kingdom who showcased their art with graffiti walls, small exhibitions and a presentation of Arabic calligraphy.

"We are happy to be part of NEOM's Saudi National Day celebration that values Saudi heritage, rich culture and unique art expressions. I'm thankful for my country and thankful for the 15 artists who gathered here today to creatively honor this special day," commented Mohammed Abaln, General Manager, Nesma Art Gallery.

Nesma Security was responsible for safety and security during the two-day event which took place in Albadaa football stadium and Dhaba Waterfront.

# *Nesma Trading Builds KSA's Largest Integrated Logistics Center*

Nesma Trading has successfully completed work for Binzagr Company on a project that is the largest integrated logistics center in Saudi Arabia. Operations at the center began in the Industrial Valley in King Abdullah Economic City (KAEC).

The center is one of the largest in the region, with an area of 97,000 square meters and a capacity of more than 110,000 pallets for storing medical and food products.

It includes 50-meter high shelves that operate automatically with the latest technologies for storing and rearranging goods, in addition to 56 gates to receive all types of trucks, and enough parking space to facilitate 180 trucks' loading and unloading at the same time.

Nesma is proud to be part of a project that is taking action to attract local and global investments, enabling the Kingdom to create jobs and contribute to the logistics sector.
