The contract, which began in July 2024, is extendable through July 2028 and would then be worth over SAR 470 million.

The scope of work covers O&M services to the following areas of NEOM Community 1: the expansion, Northern area accommodation, business hub (including multipurpose halls, museum and office tent), multi-story residential units, new diner, multi-story offices, hotel, West accommodations and new school #2.

In addition, Nesma United Industries (NUI) has a new 24-month framework agreement with Qiddiya Investment Co. (QIC) to procure and deliver trees to a tree-holding facility in accordance with client needs. NUI expects the tree species to vary widely in type and size.

“NUI is honored to be awarded another contract by NEOM, reaffirming our successful partnership. This opportunity underscores our commitment to supporting the Kingdom's ambitious development goals.”

Eng. Amer Fathallah, Facility Management Division GM
